iUniverse, United States, 2006. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Bible was the inspired word of God. Due to man s selfishness and greed, the text was changed to cater to the desire of some to gain control of the Earth s wealth. They then took the changed version of the Bible and used it to manipulate us into helping them maintain control over the stolen wealth. It is still being used today. The Book, A Race Diminished as told by a African Tribal Historian named Mama Quene offers what she says is the True Origin and History of Man. I met Mama Quena while being stranded in the jungle of Malawi, Central African. I am American and from Milwaukee, Wisconsin. The story Mama Quena shared with me has changed my life. My faith in God is even stronger and I have come to realize that God is so much more real and relevant in all of our lives. The book touches on subjects like: How did the races come into existence. Eve was the first Tribal Historian and not a rib; but a full grown baby. What got Adam and Eve evicted from the Garden of Eden was incest. Why people are target for demon possession and so much more.
