ALGAL DIVERSITY

Gihan El Shoubaky
Algal diversity
Impact of Climate Changes and Anthropogenic
Disturbances on El Arish Coast, North Sinai, Egypt

LAP Lambert Academic Publishing Nov 2013, 2013. Taschenbuch. Book Condition: Neu. 220x150x4 mm. Neuware - This book gives an idea about the impact of the climate changes and anthropogenic disturbances on the diversity of the marine flora. El Arish coast represented important part of Mediterranean Sea (northern of Sinai, Egypt). Climate changes attributed directly or indirectly to human activities as El-Arish power plant and El-Arish harbor in this area. The analyses by satellite from NOAA-AVHRR images between the year 2000...

Reviews

This is actually the greatest pdf i have got go through until now. Indeed, it can be perform, nevertheless an amazing and interesting literature. Its been designed in an extremely simple way and is particularly only following i finished reading this ebook where really modified me, affect the way in my opinion.

-- **Jacey Simonis**

I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.
