Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which I in fact changed me, change the way I think.

Bantam. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 7.9in. x 5.1in. x 0.6in. Breakout sensation Monica Murphy takes the romance genre by storm with the deeply emotional, completely addicting story of Drew and Fable. Temporary. That's the word I'd use to describe my life right now. I'm temporarily working double shifts at least until I can break free. I'm temporarily raising my little brother since apparently our actual mother doesn't give a crap about either of us. And I always end up as nothing but the temporary girlfriend, the flavor of the week for every guy who's heard the rumor that I give it up so easily. At least Drew Callahan, college football legend and local golden boy, is upfront about it. He needs someone to play the part of his girlfriend for one week. In exchange for cash. As if that's not weird enough, ever since he brought me into his world, nothing really makes sense. Everyone hates me. Everyone wants something from him. And yet the only thing Drew seems to want is . . . me. I don't know what to believe anymore. Drew is sweet, sexy, and hiding way more secrets than I am. All I know is, I want to be there for him permanently. Praise for *One Week Girlfriend* A sweet and sexy read with a dash of angst. It will hook you from page one! Under the Covers The author had me hooked within the opening pages. What a great debut novel by Monica Murphy! . . . All I have to say is pick up the book and be prepared for the roller coaster you are about to get on. . . . You will not want to miss this book and this author. Shh Moms Reading I chose this book to be the book. The perfect...
