Brand New Book ***** Print on Demand *****.Excerpt from Thirty-Fifth Annual Report of the State Board of Health of Massachusetts The following report comprises the general or routine work of the State Board of Health for the year ended Sept.30, 1903, together with its operations under the food and drug acts for the same period, and under the acts relating to water supply and sewerage during the calendar year 1903. The first part, paged in Roman numerals, contains a condensed account of the work done under the laws defining the duties of the Board. The regular work of the Board is performed mainly under the provisions of three separate acts, - an organic act of 1869, establishing the Board; an act of 1882, providing for the inspection of food and drugs; and an act for the protection of the purity of inland waters, of 1886, together with the amendments of these acts, all of which have been embodied in chapter 75 of the Revised Laws of Massachusetts, enacted in 1901. The second part of this report, paged in Arabic figures, presents the fuller details of the work of the Board under the acts above referred to. The vital statistics of a given community constitute the most definite index of the general health of such community during any stated year or series of years. Measured upon this plan the health of Massachusetts during 1903 differed but little from that of either of the years immediately preceding(1901 and 1902). The death-rate of these three years was less than that of any year in the last half century and probably less than that of any year in the nineteenth century, since it is known that infectious diseases...
