Brand New Book ***** Print on Demand *****.Longstreet's Breakthrough at Chickamauga tells the true story of the events on that fateful Sunday morning, September 20, 1863-an event that for over 150 years has been shrouded in controversy. In this book, author Robert Carter makes clear the chain of events leading to the breakthrough, and dispels the myth that Longstreet's attack was the clean and easy breakthrough of legend and lore. Longstreet's Breakthrough at Chickamauga may be read as a history of the breakthrough, or it may be used as an excellent walking tour of that part of the Chickamauga battlefield where the breakthrough occurred. Twelve new maps compliment the story, placing the reader right in the midst of the battle. Praise for Longstreet's Breakthrough at Chickamauga: There is no better way to understand a Civil War battle than to walk the ground with an experienced guide. With Longstreet's Breakthrough at Chickamauga you can do exactly that, exploring a part of the Chickamauga battlefield in welcome detail and clarity. In this second of his guidebook series, Robert Carter has brought a key moment of the Battle of Chickamauga to life. I look forward to many more such efforts. David A. He brings new light to...
