Brand New Book ***** Print on Demand *****.Excerpt from The Odes and Psalms of Solomon: Now First Published From the Syriac Version It is not easy to produce a satisfactory edition of a work which has come down to us in a single document, especially when the document itself is late in date, and represents not the original text, but a version of the same, made by some unknown hand. Obscurities are sure to exist in a text so scantily attested and of such an uncertain tradition. My learned lady friends Mrs Lewis and Mrs Gibson have given me much assistance with the proofs: Mr Glover has criticised obscure passages and inadequate arguments: and Professor Nestle has made some brilliant suggestions for the betterment of the text, and traces of his skilled hand may...
