

Factory Lighting (Classic Reprint) (Paperback)

By Clarence E Clewell

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Factory Lighting Good lighting is an aid to accurate workmanship and manufacturing output, and contributes to a reduction in manufacturing costs. It has thus become a distinct feature in factory equipment. This book aims to tell in a simple way how to obtain good lighting. As set rules, however, are apt to be misleading, the experiences in actual installations are made the basis for analysis and explanation so that they may be useful in similar problems under varying conditions. The scheme in the text is somewhat of a departure from prevailing methods in the treatment of illumination information. Actual results are given precedence over generalized statements and the practical application of the text will require, therefore, a selection from one or another of the cases described, to be used as a guide in any particular class of work. As the office, the drafting room and the power house are connected with the factory, they are included under the general title Factory Lighting. The electric lamp, rather than gas, is the type to which attention is...
