

Rage of Stars: Book Three of the Sigil Trilogy (Paperback)

Filesize: 5.53 MB

Reviews

It is one of the best ebooks. Yes, it is actually engaging, still an interesting and amazing literature. It has been developed in an exceedingly straightforward way in fact it is just following it. I finished reading through this book by which basically modified me, altered the way I really believe.

RAGE OF STARS: BOOK THREE OF THE SIGIL TRILOGY (PAPERBACK)

Reanimus Press, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Print edition of the concluding volume to Henry Gee's incredible Sigil Trilogy! The Universe is still dying from within and the young Drover tasked with stopping the rot is still racing against time. For fifty years, former textile merchant Mr Haraddzjin Khorare has been Chancellor of a Kingdom unequalled in brutality. And it's about to get a whole lot worse. Dogfinger is a boy orphaned when his village is razed by Stoners. One day, he knows, the time will come for revenge. Domingo-scientist, Priest and Pope-is watching, helpless, as the world circles to its doom. What we need, he thinks, is a miracle. Will his prayers be answered? The Plague has forced Jadis Markham and Jack Corstophine to give up their research in favour of survival. But there are always questions left to answer. Their son, Tom, now himself a noted anthropologist, has an encounter that will force him to confront his own nature-and the very nature of the universe, as the stars themselves begin going dark. Rage of Stars is the climactic third volume of The Sigil, Henry Gee's epic tale that explores the nature of humanity, religion and love. Praise for THE SIGIL TRILOGY: Great stuff. Touches of Douglas Adams, Barrington Bayley, David Britton and Steve Ayelet only emphasise the splendid originality of this book. Henry Gee is thoughtful, funny, original. And pretty thoroughly mind-expanding in the tradition of Wells, David Lindsay, Stapledon and Clarke. In fact everything you yearn to find in a very good contemporary SF novel. Really enjoyed it! -SFWA Grandmaster Michael Moorcock Coming to a science fiction novel by Henry Gee I was expecting a work knowledgeable about...
