

Know Your Trucks

By Patrick W. Dyer

5m Publishing. Paperback. Book Condition: new. BRAND NEW, Know Your Trucks, Patrick W. Dyer, Currently there are a dozen truck manufacturers whose vehicles you will commonly see on British roads. Starting with the 18-tonne class at which an HGV (now LGV) licence becomes necessary, Patrick shows examples from each producer. He goes up to the full 38/44-tonne articulated models. This is a book for novice enthusiasts of all ages in which they will find basic information about the tractor units, the wide variety of truck bodies and the wheel conformations. The liveries of a range of carriers are also shown, though some of the vehicles are demonstrators' models. Cut-away pictures make the engineering of the trucks crystal-clear. Opposite each full-page photograph, Patrick supplies basic information about the power and performance of the vehicles. He also gives details about the companies - their nationalities and group memberships.

Reviews

The book is great and fantastic. I could comprehend almost everything using this published e publication. I am just very happy to explain how here is the very best ebook i have study inside my very own existence and could be the greatest book for ever.

-- **Mekhi Marvin DVM**

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be the best publication for possibly.
