Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The title of this book, Earth Woman, is deceptively simple. We are all Earth people. Yet many people live their lives seeking meaning, happiness, and fulfillment unaware that their primary connection is to their Mother Earth. This authentic narrative relates the story of a modern workingwoman and mother who undertakes a spiritual journey. Walk along the rocky road to transformation with the author as she candidly reveals her ignorance and vulnerability in the struggle for answers. Witness the healing, peace of mind, and deep spiritual satisfaction that is found in the ancient wisdom of North America. This genuine memoir encourages the reader to start where you are, be persistent, and never give up on the dream of the light of understanding.
