## Careers for Women (Classic Reprint) (Paperback)

By Catherine Filene

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Careers for Women This compilation is the result of the demand for vocational information to help the youth of the country in its choice of a life career. The value of this form of vocational guidance lies in its power to prepare one for the responsibilities of economic life by making the facts about the various means of livelihood available. Greater knowledge creates greater efficiency and human happiness, as it tends to eliminate the extra and unnecessary time spent in discovering the best place for one's ability. Lack of knowledge of the opportunities for work results in a waste of time and energy which reacts on production and on society itself. Even though the youth may never intend to work, a knowledge of the opportunities for service is of great social value. It is a function of education to contribute to human efficiency in economic production and this is being accomplished largely through broad vocational education. Modern educators realize the need for vocational education, and the result is that vocational guidance and vocational training...
